Home - School Partnership Agreement

There is no doubt that children achieve more when the School, pupils and parents/carers work together in partnership. The agreement on the reverse of this sheet sets out what the School expects of its pupils and their parents/carers and what it offers in return. It is hoped that by clarifying the expectations of each of the partners involved, the partnership itself will become even more fruitful.

The School has a mission statement and four corporate goals, which govern all that it seeks to achieve as set out below. The home-school agreement aligns with these statements and with other documents, such as the behaviour and attendance policies.

SCHOOL MISSION STATEMENT

To provide the highest quality of teaching and learning.

CORPORATE GOALS

Customer Goal

To be a school which children and their parents are eager to choose.

Curriculum Goal

To provide all pupils with the appropriate qualifications, skills and values to equip them for life.

School Community Goal

To take pride in the School and feel responsible for its success.

Quality Goal

To strive for the highest possible standards in all aspects of school life.

Signing the agreement is not compulsory but by agreeing to this Home-School-Partnership, parents/carers and pupils are committing themselves to making it work. The outcome of such commitment can only be further improvement in the teaching and learning at Darrick Wood School.

Two copies are enclosed. Please sign both copies, retaining the Parent copy and **return the School copy to Mrs L Beckett, Admissions Officer.**
