

# DARRICK WOOD SCHOOL

RESPECT | RESPONSIBILITY | HONESTY

16<sup>th</sup> January 2026

Dear Parent/Carer

We are excited to announce the launch of a fundraising campaign to enhance one of the most important spaces in our school - the **Main Hall**.

Built nearly 30 years ago, our Main Hall has served as the heart of our school community. It hosts daily assemblies, performances, concerts, and community events. While the space remains beautiful, much of its equipment is as old as the Hall itself. To continue providing exceptional experiences for our students and audiences, we need your support to bring this space up to modern standards.

Our goal is to:

- **Upgrade outdated sound and lighting equipment** for better performances and presentations.
- **Make the Main Stage accessible for all**, ensuring inclusivity for every member of our community.
- **Improve audience viewing**, creating a more enjoyable experience for everyone who attends events.

By improving these facilities, we will enrich the quality of assemblies, productions, and concerts for students and families alike, while also strengthening our ability to serve the wider community.

**How you can help:**

- **Donate easily via the QR code or link** - every contribution, big or small, will make a difference. [DARRICK WOOD SCHOOL MAIN HALL UPGRADE - JustGiving](#)
- If you would like to **take on a fundraising initiative**, we would be incredibly grateful for your support.

Thank you for helping us create a space that inspires, includes, and celebrates the talents of all.

Yours sincerely
